Logging on to Google Classroom

1. Do a google search for Google Classroom
2. Click on the 'Go To Classroom' box

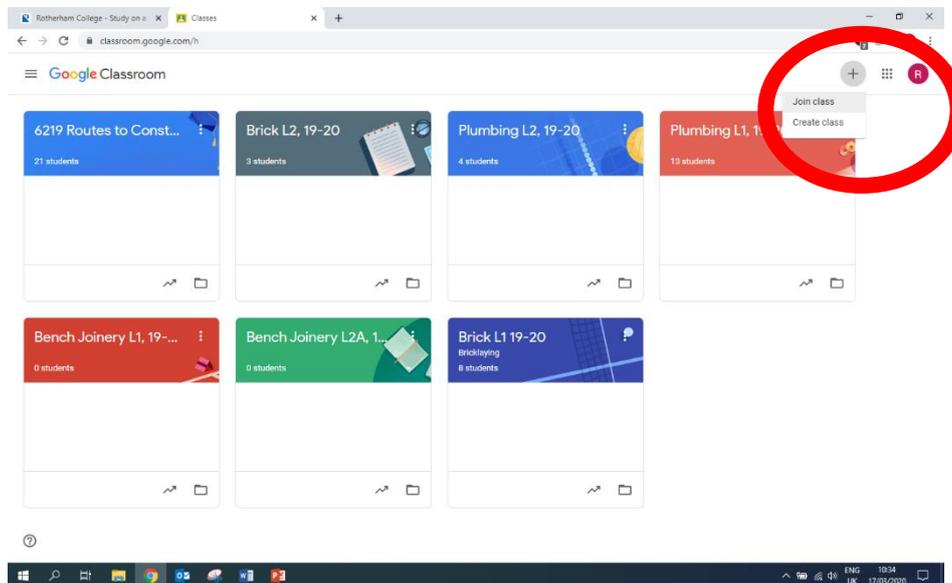

3. Sign in using your **student email address** and **college password**:
 - I. Your student email address is your student number followed by **@student.rnngroup.ac.uk** or **@rnngroup.ac.uk** for example 12345678@student.rnngroup.ac.uk or 12345678@rnngroup.ac.uk

Alternatively, some email addresses will have 3 letters followed by your student number – for example - ttt000@rnngroup.ac.uk or ttt000@student.rnngroup.ac.uk
 - II. If you do not know your password/it's not working, you need to contact a staff member to reset it for you or to log a ticket on the IT helpdesk

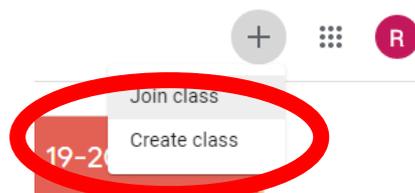

Join a class

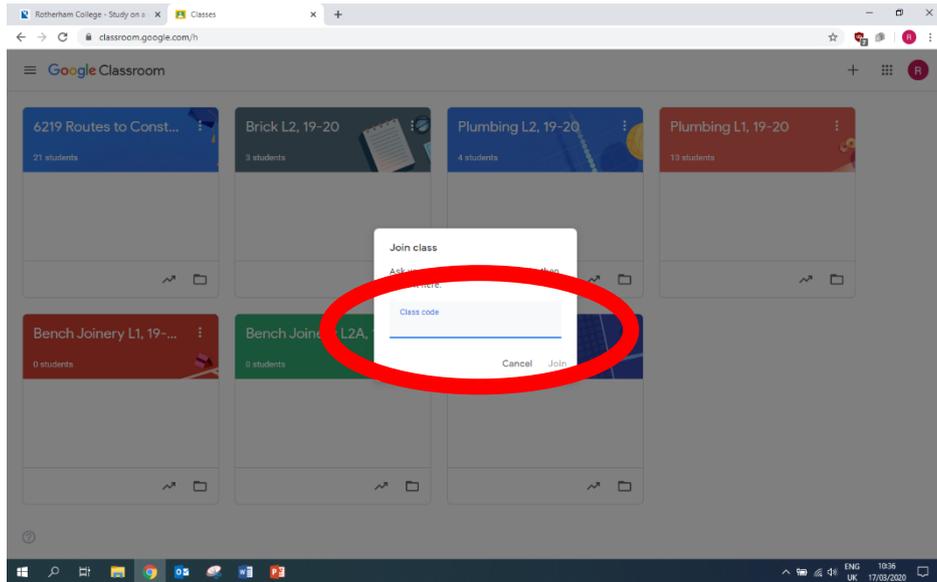

1. Click the + symbol in the top right corner

2. Click on Join class

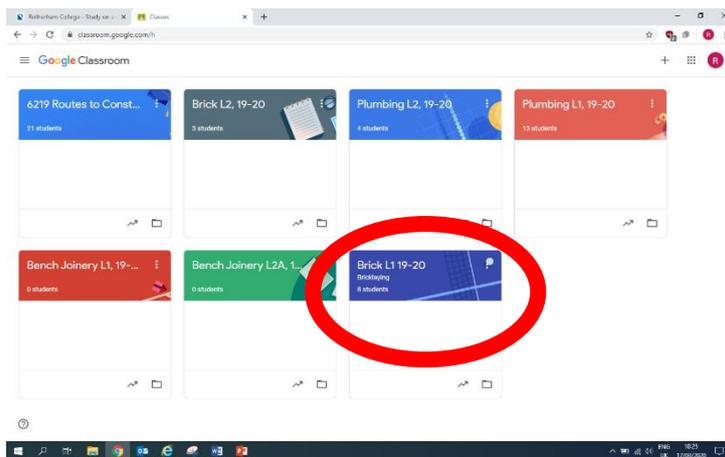

3. Type in the code your teacher gives you and click join

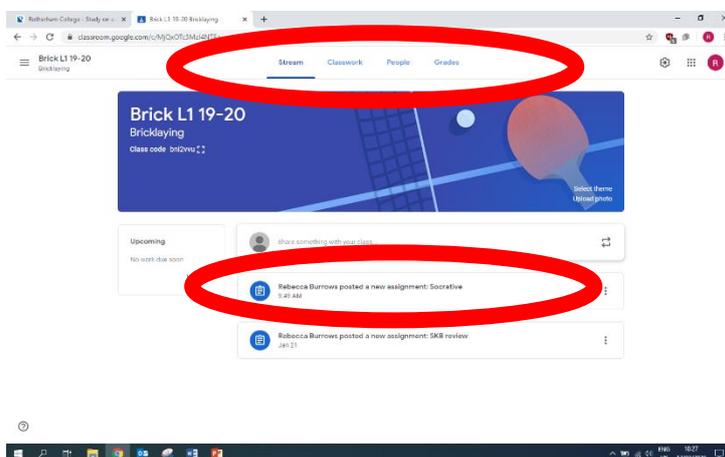

Do your work

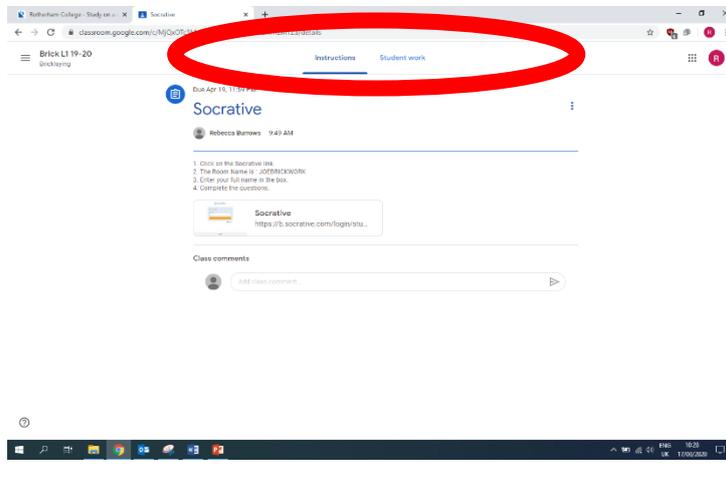

1. Click on the class you want to do work in, e.g. Brick L1

2. Click on the work you want to complete (you can also do this through the classwork tab)

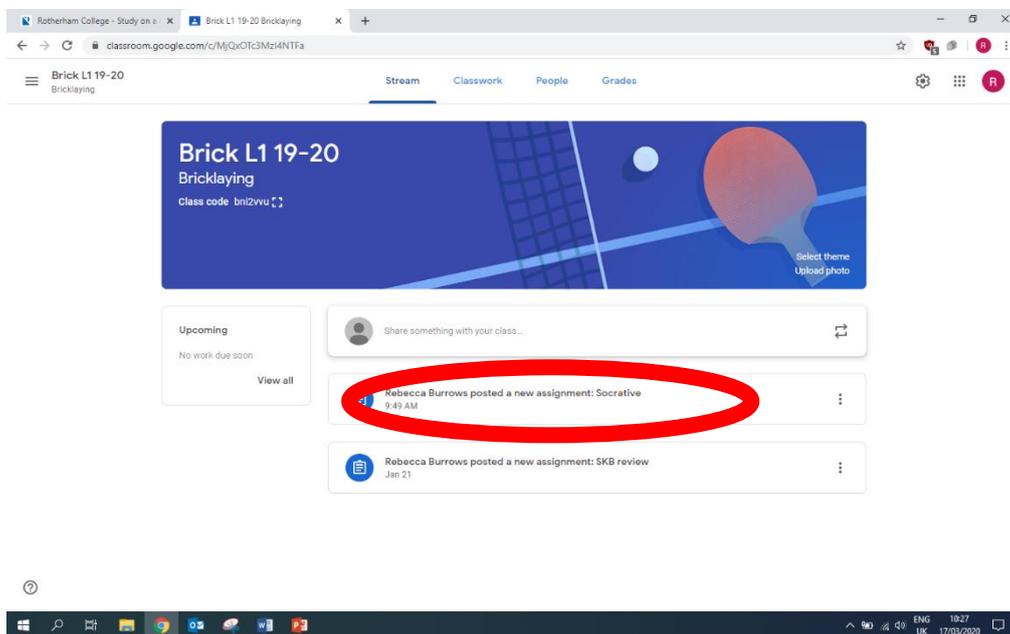

3. Click on the instructions tab and follow the instructions

Upload assigned work

1. Click on the assignment you want to upload work for

2. Click 'Add or create'
3. Attach your work and submit
